

OPEN PUBLISHING JOURNAL ARTICLE TEMPLATE: LITERARY

PSU LIBRARIES OPEN PUBLISHING

JULES LUCK, MS

This journal article template was created by Jules Luck, Open Publishing Accessibility and Production Specialist at Penn State University Libraries. The content within this template consists entirely of randomly generated placeholder text and/or figures serving solely as a demonstration of its potential use. Editors are encouraged to collaborate with PSU Open Publishing to customize this

template to fit the needs of their journal.

This template has been dedicated to the Public Domain and marked with [CC0 1.0](#). You can copy, modify, distribute and remix this template, even for commercial purposes, all without asking permission. However, if you do use this template, we would love to know who you are and how you plan to use it through filling out this [short usage survey](#).
